

SIMCA CLUB UK

We would like to introduce you to the SIMCA Club UK.

The Club started as the SIMCA Aronde Owners Register in 1980. We now welcome owners and enthusiasts of all SIMCA cars, together with the SIMCA based Chrysler 180/2 litre, the Matra Bagheera, Murena and Rancho, the Talbot Alpine, Solara, Horizon, Tagora and Samba.

Benefits include technical advice and help with finding spares plus a regular magazine called "L'Aronde". We hold a national rally each year, together with regional meetings, which provide opportunities for members to meet socially and discuss their experiences with the cars.

If you would like to join us, please complete the section below.

I would like to join the SIMCA Club UK. I understand that membership is renewable annually and operates from 1st January to 31st December in any year. I will be entitled to receive the Club magazine, to take part in any Club activities, or in any other car club's activities if invited, always provided that all rules and regulations are fully observed.
